MRC ROLL CLEAN

Metering Roller Cleaner

DESCRIPTION: *MRC ROLL CLEAN* is a fast evaporating metering roller cleaner designed to replace the ozone-depleting, chlorinated solvent based roller cleaners. This product will clean the roller surface effectively and without leaving any residue behind to contaminate the dampening system. *MRC ROLL CLEAN* contains no chlorinated or halogenated solvents.

SPECIFICATIONS:

Flash Point (TCC):	25°F
Appearance/Odor:	Clear, pale yellow liquid with solvent odor
VOC Content (EPA Method 24):	6.5 lbs./gal.

INSTRUCTIONS: Disengage metering roller, saturate a clean rag with *MRC ROLL CLEAN*. Wipe roller until clean. Apply a Gum Arabic solution such as RBP's 14°Be *PURE GUM ARABIC* to the dampening system to promote water receptivity.

BENEFITS:

- Very fast evaporating
- Leaves no residue
- Removes ink quickly
- Contains no chlorinated solvents such as 1, 1, 1, Trichloroethane

CAUTIONS: Proper handling and storage precautions should be taken for this product. This product is flammable, keep away from heat and open flames. Consult MSDS for further information.

This product should be used only for its intended purpose. The information stated above is based on our laboratory tests and experience, and is accurate to the best of our knowledge. Since actual use is beyond our control, the recommendations or suggestions are made without warranty, expressed or implied.
